

The background of the slide is a photograph of a desk. In the center, a pair of black-rimmed glasses rests on an open book. To the right, another book is partially visible. The lighting is soft, creating a warm, studious atmosphere. A semi-transparent green oval is overlaid on the left side of the image, containing the title and subtitle text.

Dear Fatima,

I am so happy to tell you that my mum says yes! She wants you to know that you can stay at our home this weekend and that you are always welcome. It's a holiday weekend - three full days of fun together.

This is what we usually do on a long holiday weekend. On Wednesday night, we usually do our homework. Then we stay up late watching television. On Thursday morning, Mum lets us sleep as late as we want. When we wake up, we eat breakfast. After that, we choose an activity we all want to do, like go to the cinema or the mall. We usually go to sleep early on Thursday nights. We wake up early the next day and go to my grandparents' house. Grandmother lets us have fun while she makes biryani for us. The next day, we are usually back at our house. Sometimes, mum lets my sister and me make sweets!

Three-day weekends are always amazing. This one will be more special because I will be with you!

Your friend,
Mariam

Email

Read this email from a school principal to parents. For numbers 1 – 5, choose the correct answer A, B, or C. There is one EXAMPLE.

Dear Parents,

I am writing to tell you about the school trip to the desert. The activities are falconry, camel rides, and hiking.

On December 8, students receive t-shirts from their teachers. Your son must wear this t-shirt, trousers and trainers on the trip. If he wears sandals, he cannot go.

All students should have sunglasses and a bag. Students can wear a watch, but no other jewelry. This is a day trip, so students do not need sleeping bags or tents.

Students should not bring food. We give breakfast, lunch, dinner, and snacks.

Please bring your child to school at 5:00 a.m. on December 15. The bus leaves at 5:30. The bus returns to the school at 6:00 p.m.
