

Grade 5 -EOT 3 Writing Practice 3A-Continue the story by writing at least TWO more sentences: (2 marks)

Once upon a time, there was a boy named Jamal who had a deep love for protecting the environment. He believed that taking care of the environment is important for his city and the animals that lived there.

Every weekend, Jamal goes to the beach to clean it up. He works hard to collect plastic bottles and bags that littered the beach. One day Jamal went to the beach and started to clean it, then suddenly he saw a little turtle with its foot stuck in a plastic bottle.

Write your answer below. Use full sentences.

C. Write a plan for the rest of the story:

(5marks)

Include information about:

- What did Jamal do to help the turtle?
- Things Jamal liked about that day
- Jamal's plan to keep the beach clean.

Write your plan for the first part, middle and end of the story below

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

D. Using your plan and the sentences you wrote. Write the rest of the story: (25 marks)

Include information about:

- What did Jamal do to help the turtle?
- Things Jamal liked about that day
- Jamal's plan to keep the beach clean.

Write a complete, organized paragraph.

Once upon a time, there was a boy named Jamal who had a deep love for protecting the environment. He believed that taking care of the environment is important for his city and the animals that lived there.

Every weekend, Jamal goes to the beach to clean it up. He works hard to collect plastic bottles and bags that littered the beach. One day Jamal went to the beach and started to clean it, then suddenly he saw a little turtle with its foot stuck in a plastic bottle.
