Writing Practice

Name: _____

Class: _____

Bonus

Text

Alia always wanted to cook. She wanted to be a chef when she was a little girl. When she was about ten years old, she started cooking for her family. They seemed to like her food. Even her brother, who was a very fussy eater, always asked for another plate of whatever she made.

1- Write your answer below. Use full sentences.

What happens next in the story?

2- Write your answer below. Use full sentences.

Why do you think this will happen?

Use the information in the text above to support your answer.

3- Write your answer below.

Write a plan for the rest of the story.

Include information about:

- What Alia's first job is like.
 - what she enjoys about her job.
 - something exciting that happened in her job.
-
